NATURPURE MILLET & SWISS PINE PILLOW

Millet husk pillows are especially cuddly and cosy thanks to their fine-grained texture. The incorporated Swiss pine flakes have a positive effect on circulation, sleep condition and save 3,500 heartbeats/day. **Perfect for sleeping and watching TV!**

MEDIFLEX NECK SUPPORT PILLOW

Thanks to a unique modular pillow system consisting of three different types of foam, the neck support pillow is perfect for that long-awaited restful sleep.

Ideal for those sleeping on their side or back!

FIBROUS PILLOW „SOFTBAUSCH COMPACT“

Thanks to a pleasant feeling of freshness, excellent air circulation and maximum bulking power, this is the ideal pillow for soft, cuddly and relaxing sleep. **Suitable for every type of sleeper and allergy sufferer!**

ALPIENNE SWISS PINE PILLOW

The Alpienne Swiss pine pillow incl. core is filled with fine flakes of Swiss pine and organically grown millet organic and enriched with St. John's wort extract. It thus promotes better sleep, has a soothing effect, reduces meteorosensitivity and enhances regeneration during sleep. **Suitable for all types of sleepers!**

NECK ROLL

The bolster supports the neck and relieves strain on the spine, as it mimics the natural shape of the spine.

We wish you a good night's sleep!

EVERYTHING FOR A GOOD NIGHT'S SLEEP

A good night's sleep is the energy source for an active, long and healthy life. And for this energy source, proper bedding is paramount. A healthy and restful sleep is also inextricably linked with Relaxation & Wellness and no accident but the result of a perfect sleeping system. With the BIONIC sleeping system, which we use in all rooms and suites here at Das Central - Alpine. Luxury. Life. we offer you sleeping comfort of the highest level during your stay.

In addition, we also offer you an extensive menu of pillows. Select the perfect pillow for your individual requirements.

The BIONIC sleeping system not only provides you with an ergonomic sleeping system calibrated to the body, but also offers two different levels of hardness in just one mattress. You will find the soft mattress as standard bedding. If you prefer the hard mattress, please tell reception!
